

## ◆ LLT-1 ThinkGrow Smart Light Lifter

**LLT-1** ThinkGrow Smart Light Lifter

The LLT-1 light lifter is part of the ThinkGrow modular light lifter system. Its cutting-edge synchronized multi-lifter operation provides users with a customizable, expandable and easy-to-install system. The lifter is ETL listed and the cable can lift up to 132 lbs, 8.8ft.

The light lifter design enables easy, two-man installation. Unlike the traditional complicated lifter system where precise calculation and teams of engineers are needed, the LLT-1 reduces assembly time and manpower without compromising quality or safety. The easily expandable modular lifter system provides maximum flexibility and user customization.

The light system can also connect to the Hydro-X Pro Control System for additional features. The LLT-1 can lift and lower multiple lights and connect to other LLT-1 lifters via daisy chain data cables, enabling users to connect, control and program synchronized operation on multiple light lifters, from a single controller.

## ◆ Specifications

### Power Input

<b>Voltage</b>	110-240V, 50/60 Hz
<b>Power</b>	≤100W

### Lifting Capacity

<b>Lifting Range</b>	≤ 8.8ft / 2.7 m / 106 inches
<b>Maximum Lifting Weight</b>	≤ 132 lbs / 60 kg

### Packaging Dimensions and G.W.

<b>Size</b>	22.51" / 572 mm(L) x 10.31" / 265 mm(W) x 7.67" / 195 mm(H)
<b>Weight</b>	22.89 lbs / 10.38 kg

### Working Environments

<b>Temperature</b>	32-104°/0-40°C
<b>Humidity</b>	≤90%

### Product Dimensions

<b>Size</b>	20.9" / 530 mm(L) x 7.29" / 185 mm(W) x 4.17" / 105.8 mm(H)
<b>Weight</b>	22.7lbs / 10.3kg

### Package Content

<b>ThinkGrow Smart Light Lifter (LLT-1)</b>	1 pc
<b>Power Cable</b>	1 pc
<b>1 x 12ft RJ12 to 4-Pin IP65 Connector Cable (ECS-9)</b>	1 pc
<b>Lifter Rigging Cable Kit (RC-1)</b>	1 pc
